Dear Parents/Carers,

We are delighted to offer new after school activities for next half term.

Places are allocated on a first come first serve basis as there are limited places for all clubs. To secure a place for your child, you **MUST** pay for the club online by logging onto schools cash office and paying by **Sunday 24th February 2019**. Payment will not be accepted in school. Once the club has reached its maximum number it will disappear from view. This means that if you have successfully paid online, your child has secured a place on that club. When you have successfully paid for your club, please complete and return the attached form to Walmley Junior School office.

How long do the clubs run for and how much do they cost?

Please see table below for dates and prices. All clubs will run from 3.30pm until 4.30pm. Cooking will finish at 4.45pm.

Can I sign my child up for more than one club?

Your child is welcome to attend as many clubs as they wish, but please check you are not signing them up to clubs that run on the same day! **Year 6 – do not sign up for a Monday club if your child is attending tutoring, thank you.**

Which activities will take place at each club?

Computing Club all year groups – Have some fun and improve your computing skills at the same time!

Board Games Club all year groups – Bring in your favourite board game to play, share and teach your friends.

Young Paramedics all year groups – Please see the flyer on our school website for further information.

Water Colour Painting all year groups – Use your creative skills to produce a detailed design using water colours.

Dance Club all year groups - Come and learn some new dance moves to current chart music.

Football Year 3/4 - Come along to learn football skills and play small sided games.

Colouring all year groups - We will be using our colouring pens, in a relaxed environment, to create some amazing pictures. So get your creative head on and come and join in.

Makaton all year groups – Makaton is a language programme that gives everyone a helping hand to talk. This fun, 'hands on' club will teach you how to use basic signs and symbols to support speech, for example how to use signs for greeting, eating and playing.
