

PSHE

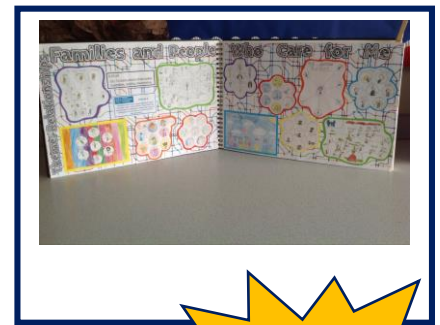

At Walmley Junior School, we want our children to be life-long, happy learners, who are nurtured towards, and well-prepared, for their next steps into secondary school and adulthood.

The teaching and learning of PSHE is timetabled, and is split into three main themes across the academic year: Relationships, Living in the Wider World, and Health and Wellbeing.

PSHE at Walmley Junior School is underpinned by the school's Walmley Values, which promote **respect**, **honesty**, **kindness**, **generosity**, **perseverance**, **politeness** and **conscientiousness**.
