Dear Parents/Carers,

Class Y 5.9 Parents' Evening phone call – w/c 17th May 2021

Due to the current guidance with COVID, we have decided that parents' evening this term will be the same as the Autumn term. We would like to offer you the chance to have a telephone conversation with Mrs Munro, following discussions with Miss Babla, so please indicate below which slot would be convenient for you.

This will be an opportunity for you to find out about what progress your child has made so far, their attitude to learning and how you can support them at home. You can also share any concerns or questions you may have. Please be mindful, however, that your conversation should last no more than 10 minutes please. The phone call will be from a withheld number, so please remember to answer the call. If you have a more detailed query, you should email the class teacher in the usual way.

Following the return to school after the second lockdown, we have implemented a "Catch Up" programme in order to support pupils revising and consolidating previous learning in order to identify any gaps in their skills and/or knowledge. We have completed baseline assessments in March and we will reassess pupils during the Summer term. It is important that children have time to get back in to structured learning and practise previously taught skills. Also, teachers can use assessment analysis to plan interventions, revision lessons and homework to help children catch up.

Please complete the proforma below indicating your preferred time slot and return it to your child's teacher by **Monday 10th May**.

Yours sincerely,

Mr S. Pearson
Headteacher
