

Walmley Junior School

Reading Challenge 2

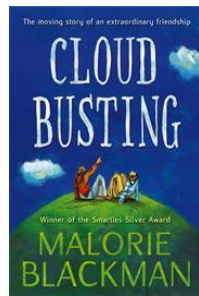

Top 100 Books

In this booklet are the top 100 books, as voted for by teachers, that children should read before leaving primary school. We are working to promote an even bigger love for reading in school and would really appreciate your support at home to encourage your child to read as many of the books listed as possible. We have copies of all 100 books in school, which are also available at your local library. Are you ready to take on the Walmley Reading Challenge?
