

At Walmley Junior School, we believe that Music gives our children the opportunity for self-expression and creativity. Our engaging and fun curriculum helps our children develop transferable skills such as self-confidence, perseverance and teamwork.

### What do we learn in Music lessons?

- In Year 3 and 4 we learn to play the recorder.
- In Year 5 and 6 we learn to play the ukulele.
- We learn to read music notation.
- We sing and play percussion instruments.
- We compose music in a range of styles.
- We listen to a wide variety of music from different traditions and periods.
- We learn to evaluate performances.
