Dear Parents/Carers,

In the Autumn Term, Walmley Junior School began an exciting new partnership with Candy Jar Books Ltd., a British publishing company based in Cardiff. The aim of this collaboration is to further promote a love of reading for pleasure and to give our children a real purpose to write. From this collaboration, there is an opportunity for the children to have their work published in the termly Candy Jar Books 'Book Club' magazine that is emailed out to parents and carers, and to have their writing, that they produce in school, published in a Walmley Junior School book, which will be made available to purchase once a year with the profits being returned to school.

In order for your child's work to be published in the 'Book Club' magazine and in the Walmley Junior School book, we need your consent.

The Candy Jar Books termly 'Book Club' magazine will be circulated to parents and carers of children at the school via email and will be made available to view on the school website. The Walmley Junior School book will only be made available for parents and carers of children at school to purchase annually.

**Please can you tick the following to either opt in or out for your child. Please note that if you do not return this form indicating which options you are consenting to, we will not be able to use your child's work in this exciting opportunity.**
