**CANDY JAR BOOK CLUB**

Dear Parents/carers,

We wish you a very warm welcome to this, seasonal Candy Jar Book Club magazine and we hope you enjoy browsing through it with your children.

One of the main aims with this partnership with the school is to encourage your children to write stories/poems and have them published in a book with all the profits going to the school.

They will be able to engage with real authors to discuss how to become an author, discuss the writing of stories, and possibly work with an author on a new chapter or story.

Please enjoy browsing the books on offer and, if you wish to order any of them, you can indicate this on the attached form and send with your payment to school.

We look forward to a long and happy partnership with you, your children and the school.

As summer creeps up on us, this could be a good opportunity to obtain some exciting presents at club discount prices.

With our best wishes,

Shaun Russell and Alan Stott

# Our Trip To Coventry

Once we arrived, we walked over to the cathedral. Firstly, we walked into a small room where we hung up our bags and coats. Then, we split into different groups and met our tour guide. As we stepped through the silk curtains, we walked into a cylinder type room with a pointy ceiling and intricate patterns on chairs. After we sat down our guide showed us some colorful origami cranes (which meant peace) that were very unique.

After a while we walked over to the old historical cathedral. Surprisingly there was no roof! Because it had been bombed in world war 2. We then saw a huge cross which said "Father Forgive" on it. There were also 3 hidden animals around the cross (2 squirrels and a mouse).

As we walked into the museum, we saw the huge replica of Dippy the Dinosaur! Once we had a look at Dippy, we walked around him and read the interesting facts. Next, we walked into the history museum where we walked through different areas exploring

the old fashion things (like the phones and/ boys).  
After that, we walked into a room were we  
discovered Lady Godiva. The room had paintings, cloths,  
videos and writting. After looking at Lady Godiva  
we went and looked at the peace and  
reconciliation room <sup>which</sup> had banners, guns  
swords, paintings, writting and computers. This  
room represents countries coming together after war.  
Finally we sat down around flipy and sketches  
until it was time to go home.

The Girdy is one of the top ~~5~~<sup>ten</sup> creatures that is most aggressive, vicious-looking monstrosity to tread all over Earth. This giraffe-bird ~~life~~ hybrid is different to any other fiesty creature you have EVER seen before. It's riot of colour will hypnotize you into thinking it's cute but trust me you don't want to go near him. His mischievous mind will destroy you and any other animal it sees. Although this Girdy will destroy anything, scientists are researching a way to trap him in a ~~age~~<sup>closure</sup> so he can't do any harm.

### Appearance

This creature is as hairy as a double-coated karachiler, in fact it has triple layer of hair! The spots on its back acts as shavers to shave its fur in the summer so he doesn't get too hot that ~~he~~<sup>he</sup> will die. Although this creature lives in warm places, it is actually a cold blooded animal that can't bare the hot blooded ones. His nose helps him sniffe all those small, petite orange crabs so he can eat them alive. His tail has an extra head so he can eat more ~~juicy~~<sup>delicious</sup> crabs for lunch!

## Diet

unusual  
monster

The most weirdest thing that this monster eats is toe nails! He eats the following aswell:

- crabs (only orange ones)
- Scorpions
- seaweed
- sand :it's

If hes lucky he may be able to eat humans and fish! If he ~~does not~~ <sup>doesn't</sup> find any of these you may want to run <sup>and hide</sup>. He will get so angry that he will fly high up in the night sky and breath fire through the fluffy clouds so they will diasapear.

Jade Owen Y6.12 Girdy Non-chronological Report

## Characteristics

This perticular creature has many weaknesses: small places that he can't fit in; tall trees which poke him in the head with there thin branches; lions that will eat him alive - lucky for him they don't live on beaches or deserts - lastly, his shyness that makes him not a very good socializer. Although he is shy he can be fiesty when he needs to. The one good thing is his fun when he plays with his crabs untill he eats them. His wings are large enough to hit another animal in the face when hes angry.

# FING

Unfortunaly Mr and Mrs Softy had a son (who is called Mike) that tortured them if he didn't get what he wanted. They hurried up the stairs, being careful not to wake him up. "Happy Birth day Mike!" his parents exclaimed happily. "I told you not to wake me up!" he said rudly. "we are so sorry that we didn't remember what you said." Mrs Softy said in a worrying voice and face. "Are you thick!" Mike shouted at the top of his lungs. "Because how can you forget something I said yesterday, I think you might have memory loss or something!" he exclaimed unpolitly. His parents still staying silent. "Where are my presents," he asked "here they are," they said. "give me them now. After a little while they heard Mike thumping down the stairs. "What would you like for breakfast," she asked. "Shut up" said Mike. "you didn't get me what I wanted!" he said while munching down on a bowl of popcorn and a drink of coca cola. "I am so sorry, is there any thing we could get you to make up to you?" asked Mr Softy

"I want a Fing" he demanded. Even though his parents didn't know what a Fing was they didn't want to get eaten they googled it. "Are you sure you want one?" asked Mrs. Softy. "Of course I do are you thick!" he responder. As soon as they could they got in to their limo zone and drove to the nearest Fing Spotting Site. Around the middle of the drive Mike got really impatient and through a £150 glass bottle that he got for his last birthday on the limo floor causing it to break in to little peices which forced his parents to stop and clean it up. Mike thought it was tacking to clean up so he showed them up the back of the car seats. "ow" inispered Mrs Softy "Shut up!" Mike shouted. Eventually they got up and started driving and after a little while arrived at the Fing Spotting site. "Here we are!" exclaimed Mr Softy. "Oh Shut up will you!" Shouted Mike.
