

Computing

At Walmley Junior School, we believe that Computing is an essential part of the curriculum; a subject that not only stands alone but is woven into and should be an integral part of all learning. In this rapidly-changing world where every day activities are increasingly transformed by technology, our intention is to enable children to be confident and safe users.

Year 3

Year 4

What do we learn about?

Online Safety

Information Technology

Microsoft Office software

Computer Science

- Code.org
- Stop motion animation

Digital literacy

Office

CODE

Year 5

Take a look at our amazing computer suite!

Year 6
